Charter Bus Services

System Wide OSUA&M-RFP-000236-2017

For the Oklahoma State University System and the Oklahoma Agricultural and Mechanical Colleges

A request for proposals for charter bus services was competitively bid and has been awarded as a multiple award contract. There will be a contract for each vendor so as you move forward with your travel plans, you may choose the one that has the best value for your campus and reference it on your requisition. You can still request a quote from more than one vendor to see what is the best price for that scenario but you will not be required to do so since there is a contract in place for each supplier. For contract pricing per the solicitation [click here](#).

Period: Present through June 30, 2018 with an option to renew annually for four (4) additional one-year periods.

Questions about these contracts should be directed to the OSU Purchasing Department, 405-744-5984, purchase@okstate.edu.
